

Volume 1—2016

LOOKING FORWARD TO 2016

Welcome to another awesome year of adventure with 1st Kengray and, trust us, it will be a year of scouting not to miss—from once in a life time opportunities like the National Senior Scout Adventure in the Cederberg in December and our very own Bear Grylls-style Survival Bash in July to the old favourites like Kon Tiki, the district Boat Hike and Kim Shield.

In addition, we also have a number of novel troop meeting planned for Friday night—you could walk away a winner in the scout version of The Weakest Link, experience an authentic Drive-In experience as Kengray gets all nostalgic and explore the far reaches our universe when we visit a radio telescope.

So, buckle up, hold on and enjoy the ride with us!

THE NEW AND THE OLD

We've mixed things up a bit since you last saw us in December so here's a gentle reminder of what's new and what's not at Kengray.

Dylan Smith has taken over as Troop Scouter as Robert takes on a supportive role as an Assistant Troop Scouter. What hasn't changed is the experienced team of dedicated scouters who'll assist Dylan as he leads the troop on it's adventures going forward.

Troop Meetings will start at 19:30 on Friday evenings and not 19:00 as before. This also means we'll end half an hour later at 21:30. Again, only the times have changed, not the awesome programmes filled with fun and learning-by-doing.

UPCOMING EVENTS
